The Taxpayers Association Annual Meeting 2010 (74<sup>th</sup> Year) will be held Monday, May 10<sup>th</sup>, at 12:00 noon at the Idle Creek Banquet Center. The guest speaker will be Ron Hinsenkamp, the Chief Transportation Planner of the West Central Indiana Economic Development District.

Invitations, reservation forms, and payment methods will be mailed using the U.S. Postal Service during the 3<sup>rd</sup> week of April, 2010.

## 4. TRAILS AND GREENWAYS SURVEY UNDERWAY

West Central Indiana Economic Development District, the designated Metropolitan Planning Organization (MPO) for Terre Haute and Vigo County, is conducting a survey to gather public input about current use and future development of the local trails and greenways network. Information gathered from this survey will be used to help develop a new multijurisdictional trails and greenways plan for the metropolitan planning area, which includes Terre Haute, West Terre Haute, Seelyville and the urbanized and rural portions of Vigo County. This new plan will help satisfy federal transportation planning requirements and guide local transportation policy decisions about continued development and enhancement of this alternate transportation network over the next 20 years.

Individuals who would like to participate in the survey can visit the West Central website at <http://www.westcentralin.com> and then click on the **Trails & Greenways Survey Link**, or they can stop

by West Central and fill out a survey form during normal business hours (8:30 AM to 4:00 PM, Monday-Friday). The District's office is located at 1718 Wabash Ave.

Please feel free to pass this email along to other individuals and groups who may have an interest in continued development of the local trails and greenways system. We also ask that you help us promote public transportation in this survey in any other way that you can (i.e. broadcast email, company or organization newsletter, etc.).

Thanks.

## **5. SR 641 PUBLIC HEARING**

### **Public Hearing regarding SR 641 Terre Haute Bypass Project Environmental Assessment, PHASES III & IV in Terre Haute, Vigo County.**

**When: April 15, 2010, 5:00 PM to 8:30 PM**

**Where: Terre Haute South Vigo High School (auditorium)**

**What: The Indiana Department of Transportation (INDOT) will hold a public hearing on Thursday, April 15, 2010 beginning at 5:00pm with an informal Open House Session, followed by the formal public hearing beginning at 6:00pm.** The public hearing will be held in the auditorium at Terre Haute South Vigo High School, located at 3737 South 7th Street in Terre Haute. The project includes the construction of a new four-lane, full access control roadway connecting US 41 southeast of Terre Haute to I-70 east of the city. The new roadway will begin at a new interchange on US 41 near Bono Road and will proceed north east from US 41 towards I-70. The project is approximately 6.2 miles in length and separated into the following four segments: **PHASE I** from US 41 to Woodsmall Road; **PHASE II** from Woodsmall Road to northeast of Feree Road; **PHASE III** from northeast of Feree Road to east of Riley Road; and **PHASE IV** from east of Riley Road to I-70 interchange. Construction of this proposed project may require approximately 190 acres of right-of-way with approximately 19 displacements. Construction is anticipated to begin 2011/2012 and would continue over the course of two construction years. The public hearing will feature an informal project Open House where the public and project stakeholders will have an opportunity to view project maps, displays, and other materials while talking with INDOT project representatives who will be available to address questions, comments and concerns. A formal presentation will be given during the public hearing to explain the project proposal in greater detail. Following the formal presentation, a public comment session will be offered. Please feel free to contact Rickie Clark, INDOT Public Hearings Manager at (317) 232-6601 or via e-mail at [rclark@indot.in.gov](mailto:rclark@indot.in.gov) should you have questions regarding this public hearing. In addition, please visit the INDOT website at [www.in.gov/dot](http://www.in.gov/dot) to learn more information regarding the SR 641 Terre Haute Bypass Project.

## 6. BIDDER ORDINANCE AMENDMENTS

The City Council passed an amendment that creates a “City of Terre Haute Responsible Bidder Ordinance.” This was done to seek “to preserve administrative resources by ensuring that only qualified contractors and subcontractors are awarded City contracts” and “will assure efficient use of taxpayer dollars and will promote public safety.” You can find the amended ordinance by clicking this link:

<http://www.taxtopics.org/Go2,2010.pdf>.

## 7. TAXPAYERS ASSOCIATION WEB SITE

Our web site is now six months old and doing a good amount of business. Members have a unique opportunity to promote their business by way of free exposure or advertising. Attached to this month’s *Tax Matters* is a sketch of the pages to be found at [taxtopics.org](http://taxtopics.org). Please go there, look around, and consider placing your ad here. The ads pop up on a cycling basis each time the site is accessed. If you have a web site address shown in the ad, a visitor may click on it and see your web site.

## 8. HELP! NEW MEMBERS NEEDED

Due to the economy, the Taxpayers Association has been hit hard in the revenue department for 2009 and 2010. We have eliminated and reduced everywhere possible. This has been especially difficult since we were not fat in the first place.

We are calling on current members to help with renewals and acquire new members. If you give me a lead, we will take it from there. Here is an outline of some of the benefits derived by supporting the Taxpayers Association:
